**This is a superb opportunity to develop and progress professionally and to impact upon children's learning.**

Jubilee L.E.A.D. Academy is a rapidly improving school where children enjoy learning in a safe and nurturing environment. We are a two form entry school located in the heart of the local community and enjoy a good level of engagement from parents and children. Our school is ideally situated with good public transport links from Nottingham city centre and close proximity to the M1 enabling us to draw upon teaching professionals across the East Midlands.

There have been recent senior leadership changes and the school is embarking on a new era with great positivity and determination to move the school forward. All teaching staff are fully devoted to the goal of working together to move the school to Outstanding within the next five years.

The school benefits immensely from being a member of a very forward looking and inclusive Trust where children can take part in STEM days, Bushcraft experiences and performing arts' days which bring schools across the Trust together. Teachers throughout the Trust work in partnership.

We are looking to recruit a Class Teacher for upper KS2 and this opportunity would suit a dynamic, excellent classroom practitioner looking to deepen and develop their teaching practice in Key Stage 2.
