Attendance Newsletter

Dear Parent/Carer,

Welcome to our July newsletter. The academic year will soon be coming to an end which means it is time for the children's end of year attendance letters to be sent out. Please take time to review your child's attendance percentage and the category they have been placed into.

Research shows that regular attendance and good punctuality are crucial for children to achieve their full potential at school. Did you know education lays the vital foundations of a child's life?

We aim for all children to have 100% attendance in order to make the most of the teaching and learning that is offered at Jubilee L.E.A.D. Academy.

We expect all children to finish the academic year above 96.2%. If this is not the case for your child this academic year, please work with us to ensure they meet their individual target next year.

Out of 369 pupils in school we have 61 pupils who have 100% attendance and are still in with a chance of winning the Nintendo Switch along with a treat afternoon in school!

We also have 102 children who have an attendance rate of 98%-99% attendance which is a fantastic achievement and those children will also receive a treat afternoon.

There will be a prize for the child/children with the most improved attendance. I wonder who this will be?!.....

Letters will be sent to the families of the children who have earned themselves a treat afternoon very soon.

HOLIDAYS

Holidays in term time will have a detrimental effect on your child's progress, as they miss chunks of their learning. In line with Jubilee's policy, we will not authorise any holidays in term time. Unauthorised holidays during term time will be referred to the Education Welfare Service for legal action to be considered.

Did you know late marks affect your child's attendance percentage? Pupils miss key information by arriving late which can cause your child to feel unsettled potentially affecting their learning.
