Dear Parents/Carers,

Although we have only been at school for 7 weeks, there has already been a vast amount of wonderful events and activities to celebrate. These include:

- ❖ A group of pupils from upper Key Stage 2 visited the Council House in Nottingham City Centre to represent our school as part of their involvement in Primary Parliament where they took part in a range of interesting discussions.
- ❖ Pupils in Year 2 visited **Warwick Castle** where they developed their historical understanding of castles.
- ❖ Pupils in Year 3 visited **Cresswell Crag** where they learned about life during the Stone and Bronze Age.
- ❖ Pupils in Year 4 have begun their **weekly guitar lessons** and are quickly developing into musicians of the future.
- ❖ Pupils in Year 5 completed their **Bikeability** sessions where they learned how to safely check and ride their bicycle on local roads.
- ❖ Pupils in Year 6 visited The **University of Nottingham** then completed further sessions in school where they learned about opportunities that will be available to them as they grow older.
- ❖ A group of pupils visited Notts County Football Club as part of a '**Show Racism the Red Card**' project where they discussed important topics linking to tolerance and supporting one another.
- ❖ There have already been lots of **sporting fixtures** and events where many different pupils have represented the school in either competitive or non-competitive situations.
- ❖ **After school clubs** have been incredibly well attended once again and we have been delighted to see so many faces attending these sessions.

Throughout all of the above, I am incredibly proud to inform you of the glowing feedback we have received from those hosting our visits who regularly tell us how well behaved and engaged our pupils are.

Thank you to all of you who attended our recent Parents' Evening and for spending time with your child's teacher discussing how they have settled. Please feel free to **continue to speak to your child's teachers** so we can all **work together to best support your child**.

I would also like to personally share a special thank you to all of those who gave us glowing feedback as part of the Parent/Carer survey that so many of you completed during Parents' Evening. Our team were highly appreciative that so many of you see just how well your children are doing and we thank you for your support.

We already have many exciting events planned for next half-term but until then, please have a safe and restful half-term holiday and I look forward to seeing all the pupils once again at **8:15am on Monday 4<sup>th</sup> November**.

Yours Sincerely,

Mr Brooks  
Head of School

### **School Entrance Advice**

Please remind your child to use the footpaths when waiting for school to open at 8:15 because this road is used by vehicles until then (see image to the left)

**Highway Code says. Rule number 243 states "do not stop or park" in front of an entrance to a property.**

Please be advised that due to the volume of vehicle users not observing the road restrictions, we have requested that PCSO's arrange spot checks on the road in the very near future.
