Friday 4<sup>th</sup> April 2025

Dear Parents/Carers,

We have now reached the end of the spring term and I am extremely pleased to share with you the wonderful progress being made throughout the school. Our many visits and experiences support the pupils in developing their knowledge and understanding of the world around them, so we look forward to more of these over the summer.

As a school, we always place a significant focus on academic achievement to ensure all pupils are best prepared for their next steps in education. For example, Year 6 will complete their Key Stage 2 Assessments (SATs) during the week beginning Monday 12th May. All academic achievements are the result of small steps taken each day so please keep going with the time you spend reading and supporting learning at home - it all adds up to make a big difference.

Alongside this, we also place huge importance on developing the whole child, so the pupils feel confident in engaging with the world around them. This focuses on our B.R.I.G.H.T. Values, where we encourage pupils to become Brave, Resilient, Industrious, Great, Honest, and Tolerant. Over each term, staff members throughout the school look for pupils exhibiting these values, and we have been incredibly proud of just how often these are displayed. We always welcome your support with these so whilst at home, please take the time to speak to your children about what they feel these words mean and how they might notice if they (or someone else) are showing these.

Finally, thank you again to the parents and carers who ensure their children arrive on time, and in the correct uniform each day. This is an important part of establishing a positive start for pupils helping them feel settled and prepared for the wonderful day ahead.

Have a relaxing time over the next two weeks. Please stay safe and enjoy what we hope will be wonderful weather. We look forward to seeing you all back and ready to start on **Tuesday 22nd April**.

Yours sincerely,

**Mr Brooks**  
Head of School
