

YEAR 2 CURRICULUM LETTER

CHESTNUT AND WILLOW – SUMMER TERM 1

	Subject	What are we learning this half term?
Maths		<p>This term we will be learning about fractions, time, and problem solving using efficient methods.</p> <p>We will be continuing to apply our knowledge of number so far, including addition, subtraction, multiplication, and division, when solving problems efficiently. We will also be learning how to tackle fractions and how to tell the time to five minutes.</p>
English		<p>In English, we will be reading <i>The Magic Finger</i> by Roald Dahl. We will be writing a narrative based on the story and using our imaginations to think about what we would do if we had our own magic finger!</p> <p>In our Active English, we will be focusing on the use of different sentence types, such as statements, exclamations, questions, and commands, as well as deepening our knowledge of a range of punctuation, which will help us to make our writing exciting!</p>
Curriculum		<p>In Geography, we will be answering our big question, <i>'How do people travel around the local area, country and the world?'</i> We will be locating a variety of countries, describing how people travel within and to those countries from the UK, and comparing methods of transport across the world.</p> <p>In History, we will be answering our big question, <i>'How has the way people holiday changed?'</i> where we will explore a range of sources which show how holidays have changed from the past to the present day.</p>
PE		<p>Labelled PE kit of black shorts, a plain white T shirt and plimsolls will be required each week on a Friday. These can stay in school for the half term. Ahead of PE days, jewellery must be removed, and long hair should be tied back in a ponytail.</p>
