# Attendance

Dear Parent/Carer,

Welcome to our May newsletter!

At Jubilee L.E.A.D. Academy, we believe that improving attendance is everyone's business and that providing a calm, orderly, safe and supportive environment where all pupils want to be and are keen and ready to learn is the foundation of securing good attendance.

Regular attendance is fundamental to the future success of children. We expect pupils to be in school for every session of the school day and for every day that the school is open. Our objectives are to promote good attendance, ensuring every pupil has access to the full-time education to which they are entitled. By acting early to address patterns of absence we aim to reduce absence, including persistent and severe absence.

## Persistently Absent

Did you know if your child has 19 days of absence or 38 unauthorised late marks your child would be classed as being persistently absent which can be perceived as academic neglect.

*Did you know late marks affect your child's attendance percentage? Pupils miss key information by arriving late which can cause your child to feel unsettled potentially affecting their learning.*

**Out of 323 pupils in school we have 50 pupils who have 100% attendance and are still in with a chance of winning the Nintendo Switch along with a treat afternoon in school!**

**We also have 101 children who have an attendance rate of 98%-99% attendance which is a fantastic achievement and those children will also receive a treat afternoon.**

**There will be a prize for the child/children with the most improved attendance. I wonder who this will be?!.....**

## Education Welfare Service

So far this academic year 11 families have been referred to the Education Welfare Service due to poor attendance and late marks.

17 families have been referred to the Education Welfare Service due to taking a holiday during term time.

*Attendance treat/fun day will be on Friday 18<sup>th</sup> July. Who will be enjoying the inflatables this year??*

# ATTENDANCE Matters

| Minutes late per day | Learning time lost in a year |
|----------------------|------------------------------|
| 5 minutes            | 3½ days                      |
| 10 minutes           | 7 days                       |
| 15 minutes           | 10 ½ days                    |
| 20 minutes           | 14 days                      |

# YR 4 TABLE CHECK

Dear Parents and Carers,

After the half-term break, children in Year 4 will be taking their statutory Multiplication Tables Check. To help them feel confident and prepared, we encourage regular practice of times tables over the holiday. There are lots of fun and engaging ways to practice, including online tools. Please follow the link or scan the QR code provided to access a useful practice resource that your child can use at home. Thank you for your continued support.
