

YEAR 1 CURRICULUM LETTER

HOLLY AND OAK – SUMMER TERM 2

	Subject	What are we learning this half term?
Maths		This term we will be deepening our knowledge of position and direction, using forwards, backwards, above and below. We will be using numbers to 100 and telling the time to the hour and half hour.
English		In English, we will be reading, Where the Wild Things are. This story will be used to inspire your child's writing and improve their grammar and transcription. Pupils will write their own narrative based on the story.
Curriculum		In Science pupils will learn about the senses. In Art they will create their own piece of neo-plasticism art or in D.T create a moving picture book. In computing pupils will be developing their programming skills and children will be continuing to develop skills in RE and PSHE.
PE		Labelled PE kit of black shorts , a plain white T shirt and plimsolls should be in school at the start of the half term. These can stay in school for the half term. Ahead of PE days, jewellery must be removed , and long hair should be tied back in a ponytail.

Friday 25th May 2025.

Dear Parents/Carers,

Welcome back to the final Summer term in Year 1.

This term your child will continue to develop their phonics knowledge, expand their use of grammar, develop Mathematical skills and take part in exciting curriculum lessons including Science, Geography, History, P.S.H.E, Computing, R.E, Art, Design and Technology and Music. They will also be going on a trip, to support with their Geography learning, to Skegness. P.E will be swimming for the first 6 weeks and PE in school for the last 2 weeks of term.

Thank you to everyone who supports their child with completing homework on time and reading at home. This is an important life skill that will enable your child to thrive throughout their educational journey and future careers.

Please find attached our curriculum overview and **how you can support your child at home**.

This includes (but is not limited to):

- Completing **weekly homework** (given out on a **Friday**) for the **following Wednesday**. If homework is not completed, children will be asked to complete it during their break time.
- **Reading with your child at least four times a week at home**. Your children will be rewarded with book tokens each time they read at home. They can save these up throughout the year and buy books from the book shop as a reward for their hard work. When you read with your child at home, please write in your child's diary (including the date read) and send diaries to school each day as reading will be monitored daily. Your child will have a phonics reading book and a reading for pleasure reading book.
- Please encourage your child to **play on SumDog** to help develop their maths fluency.

If you have any queries or concerns, please contact your child's class teacher. Thank you for your continued support with your child's learning.

Best wishes,

Miss Brown (Holly), Mr. Ganley (Oak).
