Friday 6<sup>TH</sup> June 2025

Dear Parents/Carers,

Firstly, I hope all our families who are celebrating Eid are having a wonderful time.

It is hard to believe we are now in the final half-term of the academic year. As we approach the end of the year, there remains a lot for your children to enjoy and participate in. Some pupils have their final visits of the year due to take place soon (please see the following pages for more information). The Jubilee's Got Talent Grand Final is nearly upon us and I know the finalists have been busy rehearsing. Also, the whole school has our annual Sports Day to look forward to (weather permitting).

Another important event taking place this term will be your child's transition into their new class ready for September. Pupils in Year 6 are due to spend 2 full days in their new school (1st and 2nd July). For parents and carers of our current Year 6 pupils, please check with your child's new school the plans for their transition days. We hope they enjoy it!

For all other pupils (currently in Reception, Y1, Y2, Y3, Y4, and Y5), your children will spend one full day with their new teacher on Tuesday 1st July. We know that transitioning to a new year group and class is both exciting and daunting for children and we always aim to make this experience as smooth as possible for pupils. Some ways we help pupils to settle quickly are:

- ensuring all classes are set up in a very similar way
- ensuring reward systems and teaching styles are the same throughout the school
- future class teachers and current class teachers meet to pass on all important information about every pupil
- teachers spending time seeing pupils in their current classes
- teachers making themselves available to meet you to discuss your children and share information

We know that one of the pupils' biggest concerns is often whether or not they will be with their closest friends. As leaders, we always aim to ensure that all pupils have familiar faces in their new class however it is possible for pupils to be with everyone they would choose to be with. Please speak to your child to reassure them and prepare them for this and remind them that they will be able to play with their closest friends during breaks and lunchtime. Similarly, some pupils might have a teacher in mind they are hoping to be with. While it is possible this could happen, please also support your children in knowing they will have a wonderful and highly skilled teacher who will support them to have a fabulous year.

Concerning next year, school places at Jubilee are quickly filling up in all year groups and for some year groups, we now have a waiting list. If you have or know of, children who require a school place and would like to become part of the Jubilee family, please contact the school office quickly to avoid missing out in the future.

Kind regards,

**Ross Brooks**
