HAPPY NEW YEAR: 2026!

Dear Parents/Carers,

We hope you had a restful and enjoyable holiday. As we begin this new term, we are excited to welcome everyone back to school and look forward to all the learning, growth, and opportunities that lie ahead.

We are now entering some of the coldest months of the year, please can I remind you all to ensure pupils are wearing **coats (with hats and gloves)** where possible to keep them warm during the times they spend **outside**. As always, **we ask that you label every item with their name so we have a much better chance of returning it to them if it is found.**

Alongside this, please be careful and stay safe whilst on the way to school, especially when it is dark or wet/icy. It is a good idea if your child wants to wear more suitable boots or wellies to keep their feet dry whilst walking to school but please ensure their school shoes are also brought with them so they can change when they arrive in class.

For those parents/carers whose children walk to/from school by themselves, please spend extra time **talking them through safely crossing roads** as this can be much more dangerous in the dark. REMINDER - the school site **OPENS AT 8:15am**. Please try to arrive at this time or any time **before 8:30am**. We have noticed some children have arrived before 8:15am and are **waiting for a longer time** - please try to avoid arriving too early so they are not waiting in the cold/poor weather until staff supervision begins.

This term promises to be full of exciting activities and experiences for our pupils, and we can't wait to see them continue to thrive. Thank you for your ongoing support—it makes such a difference in helping us create a positive and successful environment for every child. Here's to a wonderful term together!

Yours Sincerely,

Mr. Brooks

What we offer

Children are free to choose activities and resources as they wish on a daily basis. There will always be a selection of activities and resources available which may include dressing up, home corner, craft, board games, construction, physical play, reading, computers and homework, as well as focussed activities for after school provision which may include football, general sports, dance, gymnastics and art.

What we provide

The food we provide at the Breakfast Club includes, cereals, toast, bagels, fruit and many more choices. Milk and juice is available for the children to drink as well as water. The food for the After School Club is not intended as a substitute for a main evening meal. We provide a sandwich and snacks, including fresh fruit. We use fresh ingredients and follow statutory guidelines and sandwiches are prepared by the kitchen on a daily basis. Fresh drinking water is available at all times. We aim to meet individual dietary requirements and parental preferences wherever possible.
