### **[Minds of all kinds – Notts](https://mindsforallkindsnotts.co.uk/)** <https://mindsforallkindsnotts.co.uk/>

Developed by NHS Nottingham and Nottinghamshire ICB, the website is designed to be a central hub for families, carers, and professionals seeking accessible, trustworthy information and guidance. It has been co-produced and developed with young people and their families and adults with lived experience, as well as health care professionals, education, and other local stakeholders.

Minds of All Kinds includes:

- Clear, jargon-free explanations of ADHD, Autism, and other neuro divergent differences.
- Local service directories and referral pathways for Nottingham and Nottinghamshire.
- Practical advice for navigating education, health, and social care systems.
- Personal stories and lived experiences from young people and families.
