Dear Parents/Carers,

After what has been one of the shortest half-terms, we find ourselves breaking up for the Easter holidays. At the beginning of this term, I asked the pupils to show their 'GREATNESS' by being 'great friends' and 'great learners' and I am delighted to share with you how many wonderful examples of this we have seen throughout our school. It has been clear that so many pupils have focussed during lessons and have been able to tell me all about their learning. This was extremely evident when our Year 5 pupils visited the Palace of Westminster in London and used what they had learned to ask some incredible questions to both our tour guide and our local MP Lillian Greenwood.

In relation to being great friends, we have also seen a vast improvement on our playgrounds of so many children playing nicely with their peers. We understand that children learning how to get along with each other and how to disagree politely are key skills as they grow and mature over the years. We always aim to guide pupils to reflect on what worked well and how improvements could be made in the future so pupils feel confident in themselves and those around them.

We hope all our pupils and their families who have celebrated over recent weeks had a special and wonderful time. Looking ahead, we share our best wishes to those families who will be participating in Easter celebrations this month.

After a successful term, we hope you all have a wonderful break and feel refreshed and ready to join us when we return to school on Monday 13<sup>th</sup> April.

Kind regards,

**Ross Brooks**
