

## RECEPTION - CURRICULUM - SUMMER 2

	Subject	What are we learning this term?
Power Maths		<p>This term the children will be consolidating their number bonds to 10, whilst being introduced to numbers to 20. The children will explore weight, length and height using balancing scales and measuring tapes to support this. The children will continue to subitise numbers 1 to 5 (knowing the number of dots without counting). The children will use ten frames, part-whole models and number lines to support their mathematics lessons.</p>
Phonics		<p>This term in phonics the children will be rehearsing their set 1 sounds speedily and will begin to learn the first 6 set 2 sounds.</p> <p>The children will be reading and writing simple phrases containing set 1 sounds (m,a,s,d) and special friends (sh, ch, th, qu, nk, ng).</p>
Curriculum	 <p>How do I change over time?</p>	<p>This term in our afternoon lessons the children will be focusing on the 'Big Question' How do I change over time?</p> <p>This topic explores how humans, plants and animals change over time. The children will focus on life cycles, events from the past and growing their own plants in our garden</p>
PE		<p>PE kit will be needed in school every day, but our official PE day is:</p> <p><b>Tuesday</b></p> <p>Please make sure that all PE Kit is labelled with your child's name.</p>
