

YEAR 3 CURRICULUM – SUMMER TERM 2

	Subject	What we are learning this term?
Power Maths		<p>In Power-Maths this half-term we are learning to;</p> <ul style="list-style-type: none"> ✓ Continue reading roman numerals and telling the time ✓ Read digital clocks ✓ Look at comparing years, months, days, hours, minutes and seconds ✓ Look at the angles in shapes ✓ Measure and draw shapes accurately ✓ Recognise and describe 3D shapes ✓ Interpret statistics ✓ We will also be practicing all of our timetables. Remember to keep practicing them at home and using SUMDOG.
Literacy		<p>In English, we will be reading <i>The Iron Man</i> by Ted Hughes.</p> <p>This exciting book describes the mysterious arrival of a giant “metal man” who comes out of the sea. It explores themes of prejudice, fearing the unknown and bravery.</p> <p>We will be writing a formal letter and a narrative piece of writing based around problem resolution using descriptive language and creating suspense.</p> <p>In Active English, we will be focusing on descriptive language techniques and letter writing structures.</p>
Curriculum		<p>Geography focus – Why should we recycle?</p> <p>We will be looking at Landfill sites, incinerators and recycling centres and where they are located in the East Midlands, what are some good examples of recycling from around the world and how we can make a difference with recycling.</p> <p>History focus - How did great people from across the world make a difference?</p> <p>We will be looking at different types of sources used to know more about the past, the reliability of sources and exploring internationally famous people such as Nelson Mandela and Martin Luther King. We will also be carrying out individual research projects about Mother Teresa, David Attenborough and Greta Thunberg.</p>
PE		<p>Our PE day is:</p> <p style="text-align: center; color: red; font-weight: bold; font-size: 1.2em;">Monday</p> <p>PE kit of black shorts and plain white T shirt and plimsolls/trainers will be needed.</p> <p>All jewellery must be removed and long hair tied back in a ponytail.</p> <p>Please provide a water-bottle (with water, not juice) for P.E. lessons.</p> <p style="text-align: center; color: red; font-weight: bold;"><u>Please make sure PE kit is clearly labelled</u></p>

YEAR 3 – Team Beech and Team Ash – Summer Term 2

A massive welcome back to school and Year 3, Summer Term 2, our final term of the year.

This term we will continue to answer our Geography 'Big Question' – ***Why should we recycle?*** Over the Summer Term, we will be looking at where landfill sites, recycling centres and incinerators are located across the East Midlands, what is recycling, and what are good examples of recycling from around the world. We will learn about how we can make a difference with recycling and why it is different to what happens at landfill sites and incinerators.

We will continue trying to answer our 'Big Question' in History **Which internationally famous people did something incredible in the past?**

Reading books and diaries need to be in school every day. Children will make good progress through regular reading at home at least **four times per week** or more if possible.

Children earn book tokens for every time they read at home and get their diary signed by a parent or carer. When they have earned 70 tokens, they get to visit our school book shop and choose a book to keep for themselves.

Please find attached our curriculum overview and how you can support your child at home.

Thank you for your ongoing support.

Mrs O'Connell (Beech) and Miss Ikhlq (Ash) Miss Walker (Teaching assistant)
