### Holidays

As you are aware term time holidays are not permitted.

There is a risk of a fine if a holiday is taken in term time.

There are 13 weeks of school holidays for holidays to be taken. Taking your child out of school in term time has a detrimental effect on your child –

- Disruption to learning & falling behind academically
- Social isolation - Friendship groups may be affected
- The child's behaviour may change
- Anxiety & stress – fear of falling behind, loss of friendships

Prioritise your child's learning and wellbeing to help their long-term success.

# Miss school... **MISS OUT**

## Coming to school when you are a bit under the weather

**Feeling a little sniffly? Don't worry, your child can still learn!**

Most mild illnesses like colds and coughs can be managed at school. Keeping your child home unnecessarily can disrupt their learning and social development.

- + If you're unsure, consult your local pharmacy, or your child's doctor for advice. Let's prioritise their education and well-being together!
