

## Pupil Premium Report and Strategy Statement

In Jubilee L.E.A.D. Academy we endeavour to fulfil the Pupil Premium Policy set out by the L.E.A.D Academy Trust by deploying the following Trust strategies to diminish the difference in attainment for pupils in receipt of the Pupil Premium funding.

- clear, responsive leadership
- having a whole-school ethos of attainment for all
- addressing behaviours for learning and conduct behaviours that prevent pupils from learning
- monitoring and addressing low attendance
- facilitating high quality teaching for all through continued professional development of staff.
- meeting individual learning needs including those pupils who are the most-able and seemingly need no support
- deploying staff effectively, both teaching and support staff
- using pupil progress data to inform the planning of interventions and provision.

Each Academy reviews the barriers and outcomes for the pupils in receipt of Pupil Premium to understand the strategies that they to use to raise attainment. Each Academy explains their rationale for choosing the strategies and provides a cost breakdown. If you wish this statement to be explained, then please ask to speak with Pupil Premium Leader via the main office. If you wish to find out more about the DfE policy for Pupil Premium then follow this link:

			<p><b><u>Phonics Groups</u></b> Targeted support has resulted in 81% of PP children achieving the expected standard in the screening. This is close to the National rate of 83% in 2018 (2019 not yet available), it is also an 11% increase for the comparator group in 2018. This demonstrates that the strategy has been effective.</p> <p><b><u>Fine / Gross Motor skills</u></b> This has been moderately effective with increased confidence for targeted pupils, however letter formation is still not always as good as it should be. This is as a result of inconsistency in delivery of the intervention due to staffing issues.</p> <p><b><u>Reading Support</u></b> This has been effective and PP children have made good progress and have achieved a high rate of ARE in their reading achievement.</p> <p><b><u>Overall Effectiveness of strategies</u></b> Pupil Premium support shown to be effective.</p>																																																	
2	38 70%	£6,000	<p>In Year 2 pupils are assessed in reading, Writing and mathematics and these results are submitted nationally and compared. These are known as Key Stage 1 assessments. We also test in grammar, punctuation and spelling. These tests provide a starting point to measure progress for the pupils as they move through the school. 			<p><b><u>Evaluation of the strategy</u></b> Pupils in this cohort had poor experiences in EYFS and have made significant progress against their EYFS attainment as a result of skilled and consistently good teaching in Y2. The PPG are also overly represented in the SEND cohort as well. Additionally, during the year 9 pupils joined the cohort and 67% of the new starters are also PPG.</p> <p><b><u>Phonics</u></b> Those pupils who received additional support for phonics achieved well with 79% of the PP cohort who were rescreened passing the test compared to 75% of the non-PP cohort.</p> <p><b><u>Writing</u></b> Writing support showed that the pupils who were eligible for PPG made similar progress to those who were not eligible. There were additional influencing factors in the lower outcomes for writing across Year 2 including prior less than good teaching when the pupils were in EYFS and having to make rapid progress in Y1, which they did, but they started the year with only 61% of pupils Y2 ready.</p> <p><b><u>Gross / fine motor skills</u></b> Staff report that there has been an improvement for all pupils who had the intervention, however some pupils will require ongoing support.</p> <p><b><u>Overall Effectiveness of strategies</u></b> Pupil Premium support shown to be effective.</p>																																					
3	31 61%	£9,000	<p>In Year 3 pupils are given teacher assessments and their progress is tracked from their Key stage 1 assessments. 		£13,500	<p>Whilst there are gaps between the PP cohort and the non-PP cohort, this has been reduced within the year and the progress for PP cohort accelerated.</p> <p><b><u>SATs support</u></b> The use of an additional teacher in the morning to target the specific gaps in pupils' knowledge and understanding accelerated progress and meant pupils needs were addressed.</p> <p><b><u>Reading Comprehension</u></b> Pupils were able to have specific gaps in understanding addressed and the gap between PPG and non-PPG was closed. Attainment was raised and progress against KS1 was within the 'average' band.</p> <p><b><u>Writing Support</u></b> There was a significant increase in the quality and quantity of writing pupils produced, with PPG and non-PPG achieving a similar level at ARE. However, the gap at GD was greater, although both groups increased at the same rate. When moderated writing standards across all subjects were judged to be good and demonstrated that pupils were confidently applying their writing skills effectively across all curriculum areas.</p> <p><b><u>Maths – basic skills</u></b> The use of Power Maths enabled gaps in knowledge to be identified effectively and addressed swiftly. The increase in attainment was significant and progress was accelerated.</p> <p><b><u>Prince William</u></b> The pupils required significant support with their emotional wellbeing, these pupils had targeted individualised support. Behaviour programmes and nurture provision were used for particular pupils effectively. The resilience developed through PWA served the children well particularly in their SATs.</p> <p><b><u>Overall Effectiveness of strategies</u></b> Pupil Premium support shown to be effective.</p>

Review and evaluation of the impact of whole school strategies not already mentioned.

Strategy	Number of pupils	Cost	Impact	Next Steps/recommendations
<b>Accelerated Reader</b>	KS2	<b>£10,000</b>	Raised enthusiasm for reading by pupils. Increased numbers of pupils reading on a regular basis. 3 pupils achieved 1,000,000 words and were rewarded by visiting Waterstones in Nottingham, choosing a book to have and a celebratory trip to the in-store café.	Continue to develop strategy, ensure that all classes actively embrace and promote AR in school and at home. KS2 English leader to monitor participation robustly. Move AR books to a more accessible location. Supplement books as necessary.
<b>Raise attendance and reduce PA rates</b>	Whole School	<b>£12,000</b>	Overall attendance has risen from 95.7% in 2017-2018 to 96.1% in 2018-2019 PA has been reduced from 9.4% in 2017-2018 to 6.25% in 2018-2019 Increased number of pupils had 100% attendance in 2018-2019	Continue to develop positive attitudes of pupils and parents to full attendance. Continue to develop rewards for 100% attendance.
<b>Inclusion and supporting confidence</b>	Whole School	<b>£750</b>	Vulnerable pupils supported and have made at least expected progress against their prior attainment.	Include in full inclusion / nurture strategy element.
<b>PE teacher</b>	<b>Whole School</b>	<b>£24,000</b>	Pupils have high quality PE provision, a positive attitude is being developed to health and well-being. School is now actively represented in local team competitions with increasing degrees of success. A range of 19 different sports have been offered as After-school clubs accessed by 161 pupils, and 46.3% were from PPG cohort.	Continue with strategy and increase staff CPD in the delivery of PE to ensure that they do not become de-skilled as a result of having PE taught by a specialist. Increase number of PPG pupils who access sports clubs
<b>Homework support materials</b>	<b>Whole School</b>	<b>£3,000</b>	Homework is now seen as an important element of school / home collaboration. Parents are by and large in support of the system. Pupils recognise the importance of completing set work.	Continue with strategy, introduce support for pupils who do not regularly complete homework via a homework club (lunch and or after school)
<b>Power of Reading</b>	<b>Whole School</b>	<b>£20,000</b>	Reading and comprehension are now a strength of the school, with a large majority of pupils across all year groups making expected or better progress against their prior attainment. PPG pupils progress and attainment is comparable or better than non-PPG in all year groups expect Y5, where a sizeable number of PPG pupils are also identified as having significant SEND needs.	Continue to use this as a significant driver for the curriculum, with 2 additional teachers accessing the training to ensure the school is still current and has access to latest research.

# Jubilee L.E.A.D. Academy

Strategy	Number of pupils	Cost	Impact	Next Steps/recommendations
<b>Power Maths</b>	<b>Whole School</b>	<b>£10,000</b>	Significant progress made in Maths across all year groups. In KS2 SATs 73.3% of PPG achieved the Expected Standard or better, compared to 60% of non-PPG pupils. At the GDS level 15% PPG pupils achieved the higher level, against 7.7% of non-PPG pupils	Extend use of Power Maths to EYFS. Continue to monitor impact of Power Maths
<b>Nurture</b>	<b>60+</b>	<b>£51,000</b>	Pupils have had access to a curriculum best suited for their needs and had access to a full time teacher. All have made expected or better progress against their starting points	Continue to support vulnerable pupils. Include a range of part-time nurture strategies. Develop a fully bespoke curriculum for pupils in Nurture.
<b>Nurture/ lunchtime Provision</b>	<b>25</b>	<b>£3,000</b>	Exclusion data shows that percentage is reducing, with a number of very vulnerable pupils accessing lunchtime provision on a daily basis.	Continue to support vulnerable pupils at non structured parts of the day.
<b>Family support</b>	<b>Whole School</b>	<b>£10,000</b>	Vulnerable families have had appropriate support and had access to support	Continue to work with vulnerable families and liaise with appropriate external agencies.
<b>Improve Community Links</b>	<b>Whole School</b>	<b>£2,000</b>	The perception in the community, whilst still on the negative side, has improved significantly with increased number of parents and carers now speaking positively about the school. An increased number of parents are now choosing Jubilee as their school of choice.	Continue to build the school's reputation within the local community. Ensure all opportunities to reach out to the community are maximised.
<b>Counselling</b>	<b>40</b>	<b>£25,000</b>	Pupils have had access to tailored support. Pupils have reported that they are feeling more confident and have strategies to cope with their individual challenges. 41% of cases are now closed.	Continue to have high quality counselling. Look at extending nurture provision for those pupils with SEMH needs including PP / LAC
<b>Trips</b>	<b>Whole School</b>	<b>£19,000</b>	All pupils were able to access appropriate educational experiences and external visits to support learning. A full programme has been in place for the year, however, there was repetition of visits for a number of year groups to the same sites	This will continue for next year. All teaching staff will be expected to develop clear plans for a programme of trips and additional experiences which maybe school based or additional specialised visiting staff who will support and enhance the curriculum experiences of the pupils.
<b>Breakfast Club</b>	<b>Whole School</b>	<b>£7,500</b>	Pupils are able to have a good start to the day and are well equipped to learn.	Continue to support pupils via breakfast club

# Jubilee L.E.A.D. Academy

Strategy	Number of pupils	Cost	Impact	Next Steps/recommendations
<b>Behaviour Incentives</b>	<b>Whole School</b>	<b>£3,000</b>	Behaviour in school is now judged to be good because both conduct and learning behaviours are consistently good. Pupils and staff understand and use the school's behaviour system effectively. The number of pupils able to access the half termly treats have increased. Big termly rewards are well received by whole school community.	Continue to raise standards of both conduct and learning behaviours. Ensure the behaviour policy is understood and applied consistently. Develop an additional strand to Behaviour Strategy; Rainbow and Stars positive incentives
<b>Additional TA support</b>	<b>Whole School</b>	<b>£6,000</b>	Pupils are well supported through a range of strategies by TAs who are now all Level 3 and suitably skilled.	Continue with comprehensive CPD package linked to the individual learning needs of TAs as identified through their performance management targets who will then be skilled at delivering support for pupils.
<b>Creative Curriculum</b>	<b>Whole School</b>	<b>£5,000</b>	Curriculum development has increased pupils' experiences and access to a broad and balanced curriculum.	Continue to develop curriculum that meets the needs of the pupils with a focus on the 'world of work' Develop a comprehensive base of resources to support high quality curriculum delivery.

**Summary: how well are eligible pupils doing? Is the difference diminishing?**

- Achievement Data would indicate that there is no significant difference between the outcomes for those pupils who are in covered by the PPG and those who are not and in many cases they outperform the non-PPG cohort
- Attendance data indicates that in specific year groups the attendance of PP and non-PP is an area to develop to close the gap. However, it has improved from 2017-2018 when attendance figures were lower for all groups and PA was higher particularly for the PP group
- Clear indicators for strategies have ensured that monies were allocated appropriately and had desired impacts for most interventions

**Summary of Proposed Actions for the 2019/20**

- Continue to address attendance
- Ensure quality first teaching for all pupils
- Introduce the Power Maths to EYFS to support teaching of maths in the Reception class
- Continue to develop Power of Reading approach in English
- Develop and introduce Creative Curriculum that inspires and ignites pupils' love of learning.

# Jubilee L.E.A.D. Academy

## Strategy for 2019-20

Based upon the evaluation of the outcomes from the previous academic year, research of projects for raising attainment and our own knowledge of what has worked well in our own academy the following strategy has been agreed:

1. Summary information for 2019-20					
Academy	Jubilee L.E.A.D. Academy				
Pupil Premium Leader	Mrs Susan Wass				
Academic Year	2019-2020	Total PP budget	£293,315	Date of most recent PP Review	21/03/2019
Total number of pupils	314	Number of pupils eligible for PP	190 (61%)	Date for next internal review of this strategy	September 2019

2. Barriers to future attainment (for pupils eligible for PP including high ability)	
<b>In-school barriers</b> <i>(issues to be addressed in school, such as weak teaching, low attainment of whole cohort, etc)</i>	<b>External barriers</b> <i>(issues which also require action outside school, such as low attendance rates, high new EAL, mobility, social care and safeguarding)</i>
School currently in an OFSTED category (Serious Weakness)	Catchment area in IDACI Group 1
Historical staff instability	Attendance rates historically poor
Developing leadership team	High level of Social Care involvement
Historically weak teaching particularly in KS2	High level of children in Local Authority Care
Pupils enter school with poor prior attainment	Highly transient community
Pupils historically have made less than expected progress	Parents often hard to engage and / or do not value education

# Jubilee L.E.A.D. Academy

## 3. Outcomes – separate for each year group as each cohort has its own profile and needs

What do we want to achieve?			How?	What is the rationale for this chosen strategy?	How will it be monitored	Cost?
Year Group	What do you want to achieve and how they will be measured	Success criteria				
<b>Year R</b>	<p>Raise attainment in Mathematics, Reading and Writing as these can be identified as a weaker areas of learning.</p> <p>Develop the environment both inside and outdoor learning areas to ensure we have 'enabling' environments</p>	<p>80% Pupil Premium pupils to meet Mathematics ELG</p> <p>Pupils are independent in their learning and gain the appropriate knowledge to achieve ELG (80% of PPG)</p>	<p>Quality First Teaching</p> <p>Targeted small group work</p> <p>Introduce Power Maths for EYFS</p>	<p>The EEF has found that High quality interventions in Early Years has positive benefits. +5 months.</p> <p>Small group teaching enables the focus of work to be at all times personalised to individual needs.</p> <p>Many children do not have the ability to control a pencil with a pincer grip and the fine motor coordination required for writing.</p>	Early Years Foundation Stage Leader to analyse data each half term.	<b>£20,000</b>
<b>Year 1</b>	<p>Phonics support</p> <p>Fine motor skills</p>	<p>80%+ PPG pupils pass phonic screening</p> <p>Improved letter formation</p>	<p>TA targeted support</p> <p>Clever Fingers / Clever Hands intervention in EYFS</p>	Research from the EEF suggests that interventions in pupil's early years of education, including that for year 1, Disadvantaged children benefit from high quality programmes, especially where these include a mixture of children from different social backgrounds and a strong educational component. Through such high quality provision with well trained staff, disadvantaged pupils can add an additional 5 months progress in a year.	<ul style="list-style-type: none"> <li>• Attainment data</li> <li>• Book moderation</li> <li>• Learning walks</li> <li>• Professional dialogue</li> <li>• Phonics Leader to monitor impact and progress and report to SLT and PP Leader</li> </ul>	

# Jubilee L.E.A.D. Academy

<b>Year 2</b>	Phonics support for those who did not pass the screening in Y1  Fine motor skills	80%+ of those rescreened pass the test  Improved letter formation and writing stamina	TA targeted support  Clever Fingers / Clever Hands intervention in EYFS	Research for the EEF shows that this type of initiative raises attainment by +5 months for eligible pupils and +3 months for all pupils.	Phonics Leader to monitor impact and progress and report to SLT and PP Leader  Data submitted half termly Evidence at Pupil Progress Meetings and RAG rated exit data from intervention tracking  Increase in pupils' motor skills (observations)	<b>£6,000</b>
<b>Year 3</b>	Writing support PPG Boys at GD	Increased % of boys including PPG achieve GD in writing	QFT Small group or 1:1 support from TA	Boys underachieved at GD standard at the end of Y2 and therefore need to be addressed. Research for the EEF shows that this type of initiative raises attainment by +5 months for eligible pupils and +3 months for all pupils.	English Leader to monitor impact and progress and report to SLT and PP Leader  Data submitted half termly Evidence at Pupil Progress Meetings and RAG rated exit data from intervention tracking	<b>£9,000</b>
<b>Year 4</b>	Writing support  Reading comprehension	Pupils achieve or move towards achieving ARE for Writing  Pupils achieve or move towards achieving ARE for Reading. Pupils demonstrate greater	Small group or 1:1 support from TA	Research for the EEF shows that this type of initiative raises attainment by +5 months for eligible pupils and +3 months for all pupils.	English Leader to monitor impact and progress and report to SLT and PP Leader  Data submitted half termly Evidence at Pupil Progress Meetings and RAG rated exit data from intervention tracking	<b>£9,000</b>

# Jubilee L.E.A.D. Academy

	Maths intervention	use of inference and retrieval skills Pupils achieve or move towards achieving ARE for Maths				
<b>Year 5</b>	Writing support x20 pupils  Reading comprehension x20 pupils  Maths intervention (basic skills) x20 pupils	Pupils achieve or move towards achieving ARE for Writing  Pupils achieve or move towards achieving ARE for Reading. Pupils demonstrate greater use of inference and retrieval skills  Pupils achieve or move towards achieving ARE for Maths	Small group or 1:1 support from TA	Research for the EEF shows that this type of initiative raises attainment by +5 months for eligible pupils and +3 months for all pupils.	Data submitted half termly Evidence at Pupil Progress Meetings and RAG rated exit data from intervention tracking	<b>£12,000</b>
<b>Year 6</b>	SATs support  Writing support x20 pupils	Small group work at targeted levels to maximise impact via an additional teacher 0.7 of FTE	Small group or 1:1 support from TA, additional teacher looking at specific gap	Evidence (EEF) shows that targeted support early support and intervention has a significant impact on progress and can narrow the gap to peers by up to 6 months  Scrutiny of data and test results indicate specific gaps in learning and historical	SATs outcomes Data submitted half termly Evidence at Pupil Progress Meetings and RAG rated exit data from intervention tracking	<b>£48,000</b>
