

6<sup>th</sup> October 2020

Dear Parent/Carer,

I would like to thank all parents for working so closely with us to enable the school to open to all pupils. We are now used to our new normal and as a result of this we have reviewed the current start and finish times in order to make it easier for the majority over the coming weeks and months.

**The new start and finish times after half term will be as follows:**

	Start Time	Finish Time	
		Mon,Tues,Wed	Thurs,Fri
	Everyday		
Reception	8:30	3:25	2:25
Year 1, 2 and Cherry Class	8:25	3:20	2:20
Year 3 and 4	8:20	3:15	2:15
Year 5 and 6	8.15	3:10	2:10

Reception, Year 1, 2 and Cherry class will also start their catch up curriculum after half term. This will ensure that there is little waiting time in the winter months. You can still drop your child off a little earlier if they have a sibling in another year group that starts earlier. For this to work we need the following to happen:

1. All parents to arrive at school at their allocated times
2. All members of the school community to strictly adhere to social distancing
3. All parents to ensure that that young children in their care are not riding bikes, scooters or running around the car park at the end of the day. This is dangerous and staff will be speaking to parents who allow their children to behave like this on our site.

I have also attached a copy of the updated parent code of conduct and home school agreement for you to sign and return to school. It is very important that all members of the school community behave in a safe and respectful manner on school site. At Jubilee we want the best for your children, we want them to thrive in school and learn well. By everyone working together and following the rules we will be able to do this.

Thank you for your continued support in this matter.

Yours sincerely,

Mrs McIntyre  
(Headteacher)
