New Toilets: Update... 10th February 2022

Dear Parents / Carers,

We are delighted to share with you the developments that have recently taken place to our Key Stage 1 toilets. They have been completely redeveloped over recent weeks and I am sure that you will agree they are now much more impressive.

As a school, we are always aiming to make improvements in all that we do. In some cases these are small steps over time, whilst in other cases, these are much bigger and more rapid in bringing about a better all round experience for our pupils. Either way, we know the value of the improvements and the impact they have on the children.

It has been wonderful to hear our pupils speaking about their new toilets with one child commenting, "They are amazing. It's like being in a hotel!"

Pupils in Key Stage 2 can look forward to having the same experience, with the improvements to their toilet facilities currently taking place which are expected to be completed very soon.

The small disruptions caused to our site recently have been well worth the great improvement and these are something that our pupils will benefit from for years to come.

I look forward to updating you further as more improvements take place in our persistent attempts to provide the very best to all who attend Jubilee L.E.A.D. Academy.

Mr Books
Interim Head of School
