It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2021/2022, as well as on the impact it has on pupils' PE and sport participation and attainment. The funding **should** be spent by 31st July but the DfE has stated that there will be **no clawback** of any unspent money so this can be carried forward into 2023/24.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2021/22	£
Total amount allocated for 2021/22	£18,540
How much (if any) do you intend to carry over from this total fund into 2022/23?	£
Total amount allocated for 2022/23	£18,700

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023. Please see note above	65%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	74%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	100%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No – it will be used in this way this academic year

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23		Total fund allocated: £18,540	Date Updated: 20/7/23	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 30%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated: £5610	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Pupils undertake a minimum of 2- hour PE lessons each week.	Pupils benefit from a progressive scheme of work, written with careful consideration of the aims of the National Curriculum, to ensure a wealth of opportunities to develop physical skills as well as developing the whole child. A focus on quality-first teaching to teach pupils a range of sports and activities, whilst developing their physical literacy and fundamental movement skills.	Contribution towards Teacher salary	Pupils have developed more positive attitudes to health and well-being and can now explain why exercise and a balanced diet is good for the body. Furthermore, pupil concentration, attitudes, self-esteem and behavior has improved within PE lessons. In addition, pupils' stamina has improved meaning they can now maintain higher-levels of physical-activity over a sustained period of time.	Continue to invest in new equipment to offer pupils more access to new sports which ensure they are becoming more physically-active and engaging in new activities that allow them to be physically active. Targeted plans for specific pupils to ensure they exceed the recommended 30 minutes of physical-activity daily.
To support children's physical and mental well-being, improved levels of concentration as well as physical fitness.	Classroom-based breaks for physical activity, interlinked to curriculum-based learning using short active-blasts to support children's physical and mental well-being, enabling short, active breaks throughout the day.		Observed during lessons, resources such as active-times tables, Premier League Primary Stars videos, Super-Movers and Go-Noodle etc	PE Teacher to monitor the impact to attitudes of pupils and concentration-levels in learning.

<p>To provide pupils with a range of physical-activities to keep them active during break and lunchtimes whilst allowing them to improve their teamwork and communication skills as well as improving mental well-being.</p>	<p>Audit sporting equipment that can be used at lunchtimes to encourage physical activity – replacing and improving where necessary.</p> <p>Recruitment of Year 5/6 Play-Leaders encourages physical activity at lunchtimes on KS1 and KS2 playground. Designated PE Teacher and wider staff support Active-Play and Play-Leaders at lunchtime.</p>		<p>Pupils physical-activity levels have increased at lunch as a result of new Play-Leader initiatives, spending on new equipment and investment in re-designed playgrounds in both KS1 and KS2.</p>	<p>Monitor physical-activity levels to ensure we meet the government guidelines of at least 30 minutes a day for each child in school time.</p> <p>New lunchtime activities to be introduced on the playground such as biking activities and new Play-Leader led games.</p>
<p>Provide a wide and varied range of extra-curricular sports clubs for KS1 and KS2.</p>	<p>Wide-range of extra-curricular clubs open to EFYS, KS1 and KS2 pupils delivered by PE Teacher and external coaches where needed.</p>		<p>Pupils now have access to a wider-range of sporting activities through the delivery of extra-curricular clubs. E.g. Tri-Golf, Badminton, Boxing, Tchoukball, dance and gym.</p>	<p>Increase range of activities for extra-curricular clubs</p>
<p>To increase the number of pupils travelling actively to school through biking, scooting, walking or park and striding.</p>	<p>Year 2 of pupils participating in the WOW Living Streets Active Travel Scheme, monitored throughout the year for pupils to achieve badges for travelling actively to and from school.</p>		<p>88% of pupils in our school now travel actively to school, an increase from 66% previously, pupils enjoy earning their badges each month.</p>	<p>Use local council funding for pupils' to access the school's own pool of bikes and scooters for active travel and improved confidence in cycling/scooting.</p>
