Dear Parents/Carers,

Once again we have reached the end of an incredibly busy and successful term in which pupils in all year groups have continued to thrive and develop their knowledge.

There have been many highlights this term. Some of which include:

- Our dance team competed in their first competition and did incredibly well by beating many groups who had been performing together for a longer period of time.
- Our delightful Year 5 class visited London. It was a long day but it was full of unforgettable experiences which included a tour inside the Houses of Parliament, sightseeing landmarks such as Buckingham Palace and Downing Street, then to finish the day off we went to the Lyceum Theatre to watch the live stage show of The Lion King.
- Others have visited White Post farm, Twycross Zoo, a wide variety of sporting competitions and many more. I would like to thank everyone for helping our children to have such amazing experiences.

This term, we have also welcomed to school our new Deputy Head of School (Mrs Wheatley) who has quickly got to know your children and has supported the school to keep moving forwards. I recently announced that we are unfortunately saying goodbye to Miss Swan this Easter and that we all thank her for the dedication she has given our school. We wish her the very best in her future.

On this note, I am pleased to announce to you that we have successfully recruited a new team member who will be taking on many of Miss Swan's responsibilities. Our new team member is called Mrs Anscombe and she has already begun to get to know our school and children. She is looking forward to meeting many of you after the Easter holidays.

Looking ahead to the Summer Term, there are many more events and exciting opportunities planned which will be shared with you in due course. There are also important assessments in some year groups which the children have been working hard towards. Year 1 will complete their phonics assessments (please keep reading with them), Year 4 will complete their Multiplication Tables Check (please keep practising times-tables) and Year 6 will be completing their SATs (please keep supporting pupils to practise reading, spelling and maths). Whilst the tests set nationally must be completed by all schools, please speak with your children about these to reassure them that all they can do is try their best and that we are all already incredibly proud of them.

Finally, to those who are already celebrating or are due to celebrate Easter, Ramadan, Eid-UI-Fitr and to all others I hope you have a great break and look forward to seeing you once again when **school reopens on Monday 15th April.**

Yours sincerely,

Mr Brooks
Head of School

Parking Signs on Highwood Avenue.

YELLOW ZIG-ZAG ROAD LINES are most often seen outside schools

It is illegal to park on yellow zig-zag lines anywhere.

Rule 243 of the Highway Code indicates a range of places where motorists must not park. It states that drivers must not park near a school entrance. *Parking outside a school specifically may obstruct visibility for parents and children trying to cross the road and is thus highly dangerous.*

When yellow zig-zags are accompanied by a sign indicating the hours of operation, it means that between those hours parking wardens or local authority civil enforcement officers have the power to issue motorists with penalty charges for parking in the area. (Please see the signs outside of our Highwood Avenue entrance).

Parking on a yellow zig-zag without a sign or outside the indicated hours of operation doesn't mean that it's legal to do so; it just means that it's a matter for the police rather than the local authority to enforce.
